Description

12m Don Senior Sportsfisher. A relocation overseas for the owner brings this big game fishing launch, that has seen her owners win numerous fishing completions over the years, to the market. Presenting a fantastic opportunity for you to acquire this great family launch powered by twin 330hp Cummins diesel engines which use an "economical" est. 12Ltrs/hr at 8.5 knots. The galley and salon are a spacious open plan design with a fantastic outlook through the wrap around picture windows. Sleeping 6 across 2 cabins with 2 extra single berths in the salon means plenty of space for everyone. She's been fitted with lots of extras and comes with many spares, oils, and the galley equipment so you will be all set to cruise out to your favourite fishing spot in style.

Accommodation 4 single berths in forward cabin, a double berth in the portside cabin, and 2 singles in the salon
