Auto Pilot	Raymarine Hydraulic
VHF	Icom plus handheld
GPS	Raymarine
Wind Inst	Raymarine
Liferaft	4 man
Lifejackets	4 x inflatable, harness
Fire Ext	3
EPIRB	Yes

**Description**

This 11m Boden Helena steel hulled yacht is a proven blue water ocean cruiser having cruised the coast of Australia and crossed the Tasman to NZ. Professionally built from 4mm mild steel she is a double hard chined, long-keel cruiser. A lot of stainless steel has been used in her construction - steel toe rails, the complete cockpit and interior/exterior lockers. She has recently had the deck repainted and been antifouled. Fully equipped as a comfortable passage maker the salon area is well laid out and a forward double cabin allows privacy when you have guests onboard. Registered in Australia but imported into NZ means she can move between and stay in either country. Well worth your time to view if your planning on setting sail.

**Accommodation** Forward double berth in cabin, dedicated single aft berth plus extra berths in salon

**Eng Cyls** 3

**Fuel Consumption** est. 2Ltrs/hr

**Fuel Tank Material** Stainless, polly
