

Do you want more from your launch? This 2001 model Sea Ray 450 Express Bridge certainly delivers with more seating, more entertaining area and more accommodation than you ever dreamed of. In fact space abounds in this beautifully designed 15.6m sports fishing launch. Entering the saloon the elevated U-shaped sofa and dining area is a wonderful place to unwind after a day's fishing, overlooking the fully equipped adjacent galley. Her saloon is superbly setup for seamless entertaining. In the forward stateroom, the full-size island double with innerspring mattress provides all the comforts of home. Hanging lockers, an ensuite bathroom with separate shower and head complete the space. The midship stateroom enjoys private access to the starboard guest bathroom, a full size double bed and lots of storage. Aft of the saloon, the 3rd stateroom enjoys natural light through the windows another full-size double bed. Heading outside through the sliding doors there is ample cockpit space and as you climb the moulded staircase and enter the flybridge you will immediately notice the distinctive wraparound helm station that places everything critical at the skipper's fingertips. Smooth powerful acceleration is provided by the twin Cummins 450hp turbocharged diesels; these will get you out to your favoured fishing spot in no time!
