Description

This 10.3m Pelin Patriot launched in 2009 is a model not often found but is neatly formed to have all you may need for a day out fishing with friends or an overnight stop for two. Powered by a 210hp Cummins diesel engine on shaft drive she will hum along quite comfortably at an est. 15 knots to your favourite spot. The spacious deck area lends itself to spending lazy days with a line or two over the side while inside there is ample seating around the table adjacent to the helm, a cozy galley, forward berth and head. A tidy package that's well worth your time inspecting.

Accomodation Forward double berth
