

**This 1992 Beneteau 405 is a DIY persons dream.** Lots of potential here to give her a serious spit and polish throughout and bring her back to life. She has previously been a charter boat and her interior layout offers a great use of space with 3 double staterooms and 2 bathrooms. Starting all the way forward you will find the main stateroom ensuite with shower, vanity storage and a toilet. Heading aft to the starboard side is a Pullman double berth with storage drawers beneath. A bonus opening hatch is great for ventilation in summer. Amidships is the main salon with spacious seating for 5 around the dining table and storage under the benches. The galley is along the portside and features a double sink with hot and cold water. There are numerous lockers strategically placed for storage of all your kitchen essentials plus a two burner LPG stove and oven perfect for preparing your catch and a large top opening refrigerator to keep your drinks chilled to perfection.

There are two aft cabins each with a double berth and ample storage. The aft bathroom is a wet room with handheld shower, marine toilet, vanity, mirror and storage.

If you have the vision this could become a great sailing boat for summer adventures with family and friends.
