

**This Mirage Convertible 40ft is a custom Sportfisher that has been built on a 37/39 Bertram hull.** Then the legendary naval architect Dave Napier was hired to design a new super structure and bridge. There have been many other improvements made to the original hull design including weight redistribution, prop pockets for reduced draft and the modern twin 635hp Mirage engines. The specs include 3TEX fibreglass construction, Von Wildmann IEHS under water exhaust system and upgraded QSM 11 engine package for a fast, fuel efficient ride that will surely impress the most knowledgeable buyers. Built in 2005, but not commissioned until 2010 "Supernatural" was for several years a very well-known and successful fishing charter working out of Cabo, San Lucas. She is now in NZ and ready to go fishing or cruising with you and with a little TLC this vessel would once again ride the high seas in total luxury. To fully appreciate her features you must view, but for those that like to pre-envisage a detailed walkthrough description can be found on our website.

**TL4440**

**\$365,000**

### Engines

Make: Mirage

Year: 2005

Hours: 3000

Cylinders: 6

Horsepower: 635hp

No of Engines: 2

Fuel Type: diesel

Fuel Capacity: est. 1500Ltrs

Tank Material: aluminium

Consumption: trolling est. 9.4L/hr, crusing est. 140L/hr

Prop type:

Shaft or Leg:

Thruster: bow

Max Speed: est. 40 knots

Cruise Speed: est. 20 - 25 knots

### Construction & Measurements

Hull Material: fibreglass 3tex, with vinyl

Deck/Cabin Material: fibreglass 3tex, with vinyl

Builder: Mirage Yachts Miami

Designer: David Napier

Length: 12.2m (40ft)

Beam Width: 4m

Draft: 1.1m

Displacement: 15,400kgs
