

This 10.85m Pelin Eclipse launched in 1995 is still a popular and sought after model amongst fisherman and families alike. Repowered in 2021 with a 200hp B Series Volvo she cruises along at a decent est. speed of 15.5 knots. She is nicely set up for fishing and relaxing within her cockpit fitted with game poles and fully enclosed covers. On the flybridge there is room for mates with 3 captain's chairs, this area also has clears.

The saloon has a nice open plan layout with couches on opposing sides that can double as berths if need be. The galley while compact has all you should need with a 2 burner hob, oven, fridge, freezer, and a hot water califont. Forward is the double berth cabin and opposite the galley is the head with shower.

This is a good all round launch, so if you've been thinking about getting into the boating lifestyle you should check her out!
