This beautifully presented and upgraded 2005 Hanse 461e (epoxy hull) blue water cruising yacht awaits your inspection. Throughout you will find a high level specification, presentation and detail. Some of the numerous features include triple spreaders, twin helm, bow thruster, water maker, electric winches, under floor heating, wind generator, solar, twin alternators which along with dual Raymarine HT & Simrad electronics compliment this extensive package. The Yanmar 75hp motor has low hours, an upgraded sail drive and improved Maxi prop. The owners have proactively maintained her with renewed rigging in 2020, the dodger, bimini and all sails were replaced between 2016 and 2021.

Below deck a spacious saloon, well equipped galley and two cabins can be found each with their own head and shower.

The sale will include her offshore safety gear and tender. Move fast to take advantage of this opportunity and be ready for an island adventure this season.
