

Built by Robertson Boat Builders of Warkworth in 1990 this 10.5m gem of launch has a high level of presentation. There's also only 1241 hours on her single Mercruiser 250 hp engine which offers economical cruising at 12.5 knots and can sprint at approx. 15 knots. Her est. 700Ltr capacity in both fuel and water gives her a good cruising range. Equipped with Lowrance Navionics and game poles for the fishermen and having had a recent professional antifoul, engine and leg service (receipts available) she is a good all round package.

Her interior also pleases with a well-planned galley including a separate fridge and freezer, spacious saloon boasting 6ft+ headroom and accommodations for 7 people this is a great boat for getting out on the water with friends and family. Enquire now as viewing this lovely lady will not disappoint.

Her 12m Tauranga Bridge Marina Berth is also available for sale separately.
