

**This 2005 Kiwi built power catamaran by Silver Tiger features two new in 2021 Honda 150 VTEC outboards with only 25 hours running time.** The flybridge helm station also provides ample seating and throttle controls for additional manoeuvring. At her saloon Helm station, she is equipped with Garmin electronics and a Raymarine auto pilot. She is happy cruising at 15 knots and has a top speed of 20 knots. A fresh antifoul in June 2023 has her ready for the coming spring. Accommodation for the family is supplied with a double forward and two good singles plus sleeping in the saloon. Her raised galley is aft with easy access out to her beamy awning covered cockpit area where the bbq is waiting to cook your catch. What could be fresher than that! Check out this well-presented launch today. Vendor is open to offers over \$210,000.

**TL4461**

**\$250,000**

### Engines

Make: Honda vetch outboards

Year: 2021

Hours: < 25hrs
