

This 1988 Mariner 40 Semi Enclosed is an ideal launch for the sports fisherman!

With an extra large cockpit giving ample room to land that big one. Or she's equally capable as a bottom fishing or Dive vessel for a group if that's more your style. Ready to perform with twin Volvo in-line sixes on shaft drives. Game rigged with carbon fibre outriggers plus shotgun, underwater lights, wash down and a custom game chair you're all set to go. A solid hardtop with safety glass, vinyl wrapped hull plus recent interior upholstery refit and full electrical upgrade in 2021 adds to the features. Spring fishing will be here before we know it so check her out!
