

Pelin are an ever popular name in recreational boating in NZ and for good reason!

This 12.5m Pelin Challenger launched in 1986 underwent an extensive refreshment in 2020/21 with a 4 month hull refit and paint, decks all replaced and glassed, new clears, canvas and squabs, new perspex, new bow sprit. With all those updates this classic lady will likely server her new owners well for years to come in comfort and style.

The reliable 1986 GM 8V92 500hp engine, which has had numerous upgrades done, sees her cruising along at an est. 9 knots. She is nicely set up for fishing and relaxing, her spacious deck has fully enclosed covers. On the flybridge there is room for mates with bench seating, and a comfy lounging area complete with clears. The saloon has a nice open plan layout with couches on opposing sides that can double as berths if need be. The u-shaped galley has all you should need with a 4 burner gas hob, oven, and fridge in an easy to use sociable layout. Forward is the double berth cabin, with 2 singled berths opposite the well-appointed bathroom. This is a well presented and maintained launch, so if you've been thinking about getting into the boating lifestyle make your appointment to view today before it's too late!
