

Too many features to list...it's all available here, do not miss this opportunity to own one of NZ's most popular boats!

Since it's launch the Rayglass 4000 has proven itself time and time again as an exceptionally capable and versatile all rounder. From the vast outdoor areas to the ingenious interior layout with overnight accommodation for 7, the 4000 packs a lot into her 12.7m length. Down the companionway steps there's a double berth at floor level to port, extending under the saloon, quarter berth-style. The starboard master cabin's double berth extends across the boat under the saloon, also at floor level. Up in the separate fore cabin, two staggered V-berths make up the remainder of the boat's dedicated sleeping accommodation. Settees in the mid-cabin and saloon can serve as extra berths. With sliding doors the emphasis is on indoor outdoor flow, with the functional but compact galley aft. It has a huge open cockpit with twin transom doors that allow you to seamlessly switch between fishing and entertaining duties. A large stainless steel BBQ with moulded basin and pull-out wash down / shower completed the cockpit area. This vessel has just had fresh antifoul, prop speed and a cut-n-polish and is available to view at Tauranga Bridge Marina.

TL4456

\$248,000

Engines

Make: Mercruiser/Cummins QSD

Year: **2006**

Hours: est. **1150**
